

Sunny Condo with Fireplace

1707 NW 58th St #2: \$290,000

This pet-friendly building is close to shops, restaurants and groceries, including the Sunday Farmers Market. The condo home has a big living room with a brick faced wood-burning fireplace and access to south-facing deck. There are windows on three sides of the home offering plenty of natural light. The windows have been replaced throughout the entire building with newer insulated vinyl. The kitchen has been tastefully remodelled with slab granite counter tops and stainless steel appliances.

The redone bathroom is a nod to the past, with a pedestal sink, hexagon tile floors and a comfy clawfoot tub surrounded by subway tiles. The master bedroom has a private half bath and access to the south-facing deck. There are laundry facilities in the unit with a newer Bosch front-load stacking washer/dryer included in the purchase. A shared back yard has room for a P-patch plot.
