rooms are open to the kitchen, which has a Viking gas range and Fischer Paykel dishwasher featuring 2 independently operating drawers. The 2nd floor office/media room overlooks the living spaces below. A master suite fills the entire 3rd floor, with a walk-in closet, sunny reading nook, and full bath featuring a separate tub and tiled shower. Mt. Rainer, the Olympics and the downtown Seattle skyline can be enjoyed from this level, but the vista from the 400 sq ft roof-top deck is absolutely sensational! There is no better view to be found in any of the Fremont Lofts.

Fremont Lofts is a community of 8 award-winning zero lot-line town-homes nestled on a winding European-style lane. Superb craftsmanship, high-end features and an edgy industrial aesthetic make this an exhilarating place to live. Only one loft is available.

The ground floor features a spacious entry that doubles as a guest bedroom. There is a built-in Murphy bed. The first floor living and dining areas have soaring 16 ft ceilings and a tall bank of south-facing windows. The
