

Greenlake Craftsman

552 NE 60th St: \$450,000

This circa 1923 Craftsman has a tile fireplace, leaded windows and a verdant garden with granite boulders. Oak floors extend from the living area to a formal spacious dining area. Many rooms have antique light fixtures including wall sconces. The kitchen has the original cabinetry and tile counter tops. The main floor bathroom has original fixtures and a hex tile floor.

The downstairs is currently used as professional hair salon. It has a newer full bath, a den and family room area. It would make a great master or guest suite.
