

Mid-Century Modern

7509 Earl Ave NW: \$625,000

A sophisticated retro redo of this full brick mid-century modern! Period updates include clear fir doors with reeded glass panels and polished concrete slabs on the living room fireplace, window sills and kitchen counters. The remodeled kitchen retains the original cabinetry and has room for breakfast table. The kitchen door leads to a new deck and lush lawn in the fully fenced back yard. A separate dining area is open to the living room. There are two spacious bedrooms on the main floor and a tiled full bath.

Downstairs has a beautifully finished family room and a master suite with a new tiled three-quarter bath. The home has brand-new plumbing, a newer furnace, and updated electrical panel.
